

ETHICAL CODE

This course provides practical and easy-to-understand content covering all provisions that establish corporate liability for crimes committed by directors or employees for the benefit of the company.

Key concepts are tailored to the retail sector and presented with concise teaching tools.

Target Audience

This course is designed for corporate employees and contractors.

Implementation support

This course has been developed by MODO with the support of corporate counsel, risk managers and compliance officers.

Course content

Ethical Code

This module clearly explains how companies can be held liable for certain crimes. It also highlights the importance of adopting organizational models to prevent such crimes and promote corporate integrity and transparency.

The Supervisory Board

This module explores the roles and functions of the board of directors and emphasizes the Supervisory Board's (SB) importance in promoting corporate integrity.

The Code of Conduct

Focuses on the importance of ethical behavior, protecting market integrity, and social responsibility to ensure that every action contributes positively to customers, employees, and society.

Types of violations

Focus on good conduct and safeguarding corporate integrity to prevent unlawful acts or different types of crimes under Ethical Code.

Improve your corporate responsibility management skills and ensure that you operate with integrity and transparency.

MODO ready-made courses are designed to meet your company's needs.
