PEOPLE MANAGEMENT

"People Management" is designed for team leaders seeking practical tools to unlock their employees' potential and enhance both individual and team strengths.

Target Audience
This course is intended for all functional managers and anyone in the organization who manages a team.

Implementation support
This course has been developed by MODO with the support of a subject matter expert.

Course content

Your leadership style
Explores key leadership principles through discussions and real-world examples. Includes interactive quizzes to help reflect on leadership styles and promote healthy and constructive leadership.

Developing People
Focuses on identifying and nurturing each employee's strengths to boost motivation and performance.

Delegatio
Covers the essential skill of delegation to increase productivity, offering tips for refining delegation techniques in line with personal leadership styles.

Giving Feedback
Teaches constructive feedback techniques for evaluating performance and maintaining open, clear, and objective communication.

Enhance your leadership skills to guide your team toward achieving their goals!

MODO ready-made courses are designed to meet your company's needs.
